RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner has identified the application as containing claims directed to two (2) distinct species. The Examiner has required the Applicant to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted. The Examiner believes there are no generic claims. Applicant has been advised that a response to this requirement shall include an identification of the species that is elected and a listing of all claims readable thereon.

In response to the Examiner's requirement, Applicant elects **Species I** shown in Figure 1 for examination on which claims 1-17 are readable. This election is made without traverse.

In the Restriction Requirement, the Examiner fails to address claim 17. Applicant respectfully submits that claim 17 belongs to Species I, as depicted in Fig. 1.
